OFFICIAL MATCH REPORT

HIGH POWER RIFLE 80 SHOT REGIONAL MATCH FORMAT

MATCH DATE 19 AUGUST 2017

MATCH DIRECTOR JOSEPH C. MEYNIER III

Twelve competitors enjoyed a warm day of competition and the humidity was not as bad as it could have been. It was a wonderful day to shoot. Everyone had fun which is the idea.

The next high power match at Palo Alto will be conducted on Saturday 16 September. After the match there will be a working party to place and smooth-out dirt on the north and south ends of the 600 yard firing line. Dirt will be dropped off at either end of the firing line and we only need move it up to the level of the firing line on each end. It will give the firing line a finished look. Please consider helping out after the match. The various shooting disciplines at Palo Alto have been assigned a task to perform and this one is ours and it won't take very long at all if we all pitch in. Please bring a wheelbarrow and shovels. I will bring one wheelbarrow but having two more would be handy. I thank you in advance for your consideration on this request.

I'll see you on 16 September!
